## George County government offices and garbage pick-up Christmas holidays

Release date: Monday, Dec. 18, 2017

By: Linda Fallon

With Christmas and New Year's right around the corner, George County is announcing business office hours and the household garbage schedule for the holidays.

All County offices (Board of Supervisors, Chancery Clerk, Circuit Clerk, Justice Court, and Tax Collector, etc.) will be closed Monday, Dec. 25 and Tuesday, Dec. 26. County offices will reopen for normal business on Wednesday, Dec. 27.

All County offices will also be closed on Monday, Jan. 1 for New Year's Day.

George County Solid Waste Department will be closed on Monday, Dec. 25 and Monday Jan. 1. Routes will run a "one day behind" schedule for the rest of both weeks. For example, Monday's route will be run on Tuesday, and so forth.

To reduce litter, the Solid Waste crews request homeowners make sure all wrapping paper and loose packing materials are put securely inside a bag or other container. Residents should place household garbage curbside as normal.

To serve the needs of our local veterans, the George County Veterans Office will keep normal business hours for Wednesday, Dec 27.

For all our senior citizens taking part in the lunch program, the George County Senior Citizens Building will be closed from Dec. 25 through Jan. 5. They will reopen on Monday, Jan. 8 to serve hot lunches.

The next regularly scheduled Board of Supervisors meeting will be Tuesday, Jan. 2, 2018 at 9 a.m. in the County Administration Building. For more details on the County's office schedule, call 601-947-7506 or visit the County website at [www.georgecountymiss.com](http://www.georgecountymiss.com).
