George County government offices and garbage pick-up holiday schedule

Release date: Monday, Dec 21, 2015

By: Linda Fallon

In celebration of Christmas and holiday season, all County government offices will be closed on Dec. 24 and Dec. 25. County offices will reopen on Monday, Dec. 28 for normal business hours (Board of Supervisors, Chancery Clerk, Circuit Clerk, Justice Court, and Tax Collector, etc.). County offices will also be closed on Dec. 31 and Jan. 1 for the New Year Holiday.

George County Solid Waste garbage routes will not change for the week of Christmas or the New Year.

To reduce litter, the Solid Waste Department crews request homeowners make sure all wrapping paper and loose packing materials are put securely inside a bag or container. Residents should place household garbage curbside as normal.

To serve the needs of our local veterans, the George County Veterans office will keep normal business hours for both Christmas and the New Year.

For all our seniors, the George County Senior Citizens building will be closed from Dec. 24 until Jan. 1. They will reopen to serve hot lunches on Jan. 4. The Driver's License office will remain open for regular hours at the Senior Citizens Building.

For more details on the County's office schedule, call 601-947-7506 or visit the County website at www.georgecountymss.com.
