8-16-2021

RE: 8-16-2021 Press Release
George County High School Closure

The number of identified positive Covid cases and quarantined students and staff at George County High School has reached 20%. Based on the protocol currently being followed, the George County School District has made the decision that all students at George County High School will transition to virtual learning effective immediately, Tuesday, August 17, 2021 through Friday, August 27, 2021. Specific details concerning virtual learning for your student will be communicated to you by the school and your student's teachers. Students will return to on-campus learning on Monday, August 30, 2021.

Staff should continue to report to work as regularly scheduled during this time.

Regards,

Wade Whitney, Jr.
