How many barns have crystal chandeliers and polished floors?

We know of a great one... our newest member, The Country Mile Venue! The George County Chamber of Commerce was pleased to hold a Ribbon Cutting Ceremony for the Tillman Family and friends at their new rental event facility. Their property features a luxurious main barn with a huge main hall, full modern kitchen, and a bridal suite.

This 4800 sq. ft. venue can host any event and is perfect for weddings, family gatherings, reunions, birthday celebrations, baby showers, and even corporate events.

The Country Mile Venue is located at 3120 Basin Central Road. Please contact Jessica Tillman, at 601-508-6441, for availability, rental details, and reservations. Or visit their Facebook Page @The County Mile Venue.

Fun Facts

- Watermelon is an ideal health food because it doesn't contain any fat or cholesterol, is high in fiber and vitamins A & C and is a good source of potassium.
- Every part of a watermelon is edible, even the seeds and rinds.
- Over 1,200 varieties of watermelon are grown worldwide.
- Early explorers used watermelons as canteens.
- Watermelon is a vegetable! It is related to cucumbers, pumpkins and squash.
